REDUCTIO AD HITLERUM AS IDEA #1 ON 5 JULY 1941: "ARYANS AND RUSSIANS: What we need is a collective view of people's wish to live and manner of living.

We must distinguish between the Fascist popular movement and the popular movement in Russia. **THE FASCIST MOVEMENT IS A SPONTANEOUS *RETURN* TO THE TRADITIONS OF ANCIENT ROME.** The Russian movement has an essential tendency towards anarchy.

By instinct, the Russian does not incline towards a higher form of society. Certain peoples can live in such a way that with them a collection of family units does not make a whole; and although Russia has set up a social system which, judged by Western standards, qualifies for the designation " State ", it is not, in fact, a system which is either congenial or natural to her." [page 3]

REDUCTIO AD HITLERUM AS IDEA #5 ON 21 / 22 JULY 1941: "SIMILARITIES BETWEEN GERMANY AND ITALY—DANTE AND LUTHER—THE DUCE IS ONE OF THE CAESARS—THE MARCH ON ROME—A TURNING- POINT IN HISTORY: It's remarkable to observe the resemblances between the evolution of Germany and that of Italy. The creators of the language, Dante and Luther, rose against the ecumenical desires of the papacy.

Each of the two nations was led to unity, against the dynastic interests, by one man. They achieved their unity against the will of the Pope.

I must say, I always enjoy meeting the Duce. He's a great personality. It's curious to think that, at the same period as myself, he was working in the building trade in Germany. Our programme was worked out in 1919, and at that time I knew nothing about him. Our doctrines are based on the foundations proper to each of them, but every man's way of thinking is a result. Don't suppose that events in Italy had no influence on us. The brown shirt would probably not have existed without the black shirt. The march on Rome, in 1922, was one of the turning-points of history. The mere fact that anything of the sort could be attempted, and could succeed, gave us an impetus. A few weeks after the march on Rome, I was received by the Minister Schweyer. That would never have happened otherwise.

If Mussolini had been outdistanced by Marxism, I don't know whether we could have succeeded in holding out. At that period National Socialism was a very fragile growth.

If the Duce were to die, it would be a great misfortune for Italy. As I walked with him in the gardens of the Villa Borghese, I could easily compare his profile with that of the Roman busts, and **I REALISED HE WAS ONE OF THE CAESARS**. There's no doubt at all that Mussolini is the heir of the great men of that period. Despite their weaknesses, the Italians have so many qualities that make us like them.

ITALY IS THE COUNTRY WHERE INTELLIGENCE CREATED THE NOTION OF THE STATE. THE ROMAN EMPIRE IS A GREAT POLITICAL CREATION, THE GREATEST OF ALL." [pages 9, 10]

"HISTORY BUT FOR THE ADVENT OF CHRISTIANITY—**

CONSTANTINE THE GREAT AND JULIAN THE APOSTATE: But for the coming of Christianity, who knows how the history of Europe would have developed? Rome would have conquered all Europe, and the onrush of the Huns would have been broken on the legions. It was Christianity that brought about the fall of Rome—not the Germans or the Huns.

What Bolshevism is achieving to-day on the materialist and technical level, Christianity had achieved on the metaphysical level. When the Crown sees the throne totter, it needs the support of the masses.

It would be better to speak of Constantine the traitor and Julian the Loyal than of Constantine the Great and Julian the Apostate. What the Christians wrote against the Emperor Julian is approximately of the same calibre as what the Jews have written against us. The writings of the Emperor Julian, on the other hand, are products of the highest wisdom. If humanity took the trouble to study and understand history, the resulting consequences would have incalculable implications. One day ceremonies of thanksgiving will be sung to Fascism and National Socialism for having preserved Europe from a repetition of the triumph of the ***UNDERWORLD***." [pages 253, 254]

FROM BING CHAT GPT: "There is no direct evidence [**EXCEPTING OBLIQUE WINTER / SUN REFERENCES**] or record of Hitler specifically mentioning Roman Emperor Aurelian in any of his speeches, writings, or documented conversations.

Aurelian, who reigned from 270 to 275 CE, played a crucial role during the Crisis of the Third Century. His military victories were instrumental in reuniting the Roman Empire after it had nearly disintegrated due to barbarian invasions and internal revolts. Born in modest circumstances, Aurelian climbed the ranks in the Roman army and achieved remarkable success as an emperor.

Despite his significant impact on restoring stability to the empire, there is no documented link between Hitler and Aurelian. Hitler's historical references were often centered around more recent events, ideologies, and figures relevant to his time.

In summary, while both Hitler and Aurelian left their marks on history, their paths did not intersect in recorded accounts. Aurelian's legacy remains preserved in ancient texts and archaeological evidence, while Hitler's actions continue to be scrutinized for their devastating [consequences]."

However if we take the date 274 when SOL INVICTUS as the chief god of the empire was restored (the soldier cult being MITHRAS as then associated with adoration directed to SOL INVICTUS) we find this IDEA uniquely occurs within the COGITO PRAGMA as having a TETRA correspondence to **COGITO: #32 - LEGION (CHUANG) - 三衆 = #483 / [#54, #77, #61, #71, #11]** as RANGE: noon 10 to 14 MAY which by date designated by 4.5 day increment slots conforms to **REDUCTIO AD HITLERUM AS IDEA #217 ON 14 MAY 1942** as TABLE TALK ENTRY that discusses reversal of the "RUSSO-GERMAN PACT" by OPERATION BARBAROSSA AS THE INVASION OF THE SOVIET UNION ON 22 JUNE 1941.

SOL INVICTUS, meaning "Invincible Sun" or "Unconquered Sun," was the official sun god of the late Roman Empire. Emperor Aurelian revived his cult around AD 274 and promoted SOL INVICTUS as the chief god of the empire. The main festival dedicated to him was the Dies Natalis Solis Invicti (the "birthday of the Invincible Sun") on 25 DECEMBER, which coincided with the winter solstice in the Roman calendar. From Aurelian onward, Sol was of supreme importance and often appeared on imperial coinage. His prominence waned when Emperor Constantine I established Christianity as the Imperial religion.

REDUCTIO AD HITLERUM AS IDEA #127 ON 17 JANUARY 1942:
"PRIMARY IMPORTANCE OF EASTERN EUROPE—USE EVERYTHING REGARDLESS OF ITS ORIGIN—THE ROLE OF THE CHOSEN: The reason why I'm not worrying about the struggle on the Eastern Front is that everything that happens there is developing in the way that I've always thought desirable. At the outbreak of the first World War, many people thought we ought to look towards the mineral riches of the West, the raw materials of the colonies, and the gold. For my part, **I ALWAYS THOUGHT THAT HAVING THE *SUN* IN THE EAST WAS THE ESSENTIAL THING FOR US**, and to-day I have no reason to modify my point of view.

At the beginning of our movement, I acted above all by intuition. **DURING MY IMPRISONMENT I HAD TIME TO PROVIDE MY PHILOSOPHY WITH A NATURAL, HISTORICAL FOUNDATION.** From their own point of view, the rulers of the day made a miscalculation in locking me up. They would have been far wiser to let me make speeches all the time, without giving me any respite!

The National Socialist theory is to make use of all forces, wherever they may come from. I realise that the families that have dedicated themselves for generations to the service of the State contain good elements, and that the Bolsheviki made a mistake, in their over-eagerness, in exterminating the intelligentsia. But it is intolerable that the members of a class should suppose that they alone are competent to hold certain functions.

The work that everybody is called on to supply cannot be judged by its objective value. Everyone has only one duty: to take trouble. Whoever does this duty becomes, by doing so, indispensable to the community—whether it is something that only he can do, or that's within the capacities of anyone. Otherwise the man who achieves something important, the effect of which can be felt for decades, or even for centuries, would have

a right to puff himself up and despise the man who ***SWEEPS* *THE* *STREETS***." [page 17]

Wherever it may be, this **FETISH OF THE LIBERTY OF THE PRESS CONSTITUTES A MORTAL DANGER PAR EXCELLENCE**. Moreover, what is called the liberty of the press does not in the least mean that the press is ***FREE***, but simply that certain potentates are at liberty to direct it as they wish, in support of their particular interests and, if need be, in opposition to the interests of the State...

As, in the military sphere, the aircraft has now become a combat weapon, so the press has become a similar weapon in the sphere of thought. We have frequently found ourselves compelled to reverse the engine and to change, in the course of a couple of days, the whole trend of imparted news, sometimes with a complete volte face. Such agility would have been quite impossible, if we had not had firmly in our grasp that extraordinary instrument of power which we call the press—and known how to make use of it.

A year before, when the Russo-German Pact was signed, we had the task of converting to a completely reverse opinion those whom we had originally made into fanatical opponents of Russia—a manœuvre that must have appeared to be a rare old muddle to the older National

Socialists. Fortunately, the spirit of Party solidarity held firm, and our sudden about-turn was accepted by all without misgiving. Then, on 22nd JUNE 1941 [**WITH OPERATION BARBAROSSA AS THE INVASION OF THE SOVIET UNION WAS NAMED AFTER THE ALL-CONQUERING MEDIEVAL HOLY ROMAN EMPEROR FREDERICK I (reigned: 1155 – 10 JUNE 1190)**], again: "About turn!" Out shot the order one fine morning without the slightest warning! Success in an operation of this nature can only be achieved if you possess the press and know how to make tactical use of it.

When you regard the role of the press from this angle, you will realise at once that the profession of the journalist now is very different from that of the journalist of yore. There was, indeed, a time when the profession of journalism was one without any real importance, for rarely had the individual journalist any opportunity to give proof of personal character. To-day, the journalist knows that he is no mere scribbler, but a man with the ***SACRED* *MISSION*** of defending the ***HIGHEST* *INTERESTS*** of the State. This evolution has been in progress throughout the years following our taking power, and to-day the journalist is conscious of his responsibilities, and his profession appears to him in a new light.

Viewed in this way, the role of the press must be guided by certain principles, which must be rigorously applied. For example, when there are

problems, over which men of eminence are scratching their heads without being able to find the solution, it is unwise in the extreme to air them in public ; much better wait till the thing is settled. Before a ***MILITARY* *OPERATION***, no one would dream of communicating the ***ORDERS*** to the ***TROOPS***, so that the rank and file could discuss them among themselves and express their opinion of the best way of carrying out the operation. To act in such a manner would be tantamount to a surrender of all sense of responsibility, all sense of authority, and a negation of all reason. In the same way, when a choice between two models of tanks is under consideration, it is not the rank and file who are asked to decide which shall be put into production." [pages 479-481]

FEBRUARY AS IDEA #137 - 3 / 4 FEBRUARY 1942: "The first thing I did on leaving the prison at Landsberg, on the 20th DECEMBER 1924, was to ***BUY*** my supercharged Mercedes. Although I've never driven myself,

I've always been passionately keen on cars. I liked this Mercedes particularly...

Adolf Müller had taught me to ***DRIVE*** all right, but I knew that at the slightest accident my conditional liberty would be withdrawn, and I also knew that nothing would have been more agreeable to the Government. In November 1923 I was already owner of a marvellous Benz. On the 9th, it was in Müller's garage under lock and key. When the police came to seize it, they must have filed through the chain. But they dared not use it in Munich, for the whole population would have risen in revolt, shouting: "Car-thieves!" So they sent it to Nuremberg, where it immediately had an accident. I've bought it back since, and it can be seen among our relics." [page 284]

IRISH CENTRAL ON 30 MARCH 2024: "EASTER 1916 RISING COMMEMORATIONS HELD IN DUBLIN EASTER SUNDAY 31 MARCH 2024:

The 1916 Easter Rising was a pivotal event in Irish history that took place in Dublin, Ireland, during Easter Week, 24 to 29 APRIL 1916 [whilst World War I (28 July 1914 – 11 November 1918) was being prosecuted]. It was an armed insurrection launched by Irish Republicans against British rule in Ireland with the aim of establishing an independent Irish Republic. The events of Easter Week 1916 ultimately contributed to the growing momentum for Irish independence, culminating in the War of Independence and the establishment of the Irish Free State in 1922.

The Rising was organized by several nationalist groups, primarily the Irish Republican Brotherhood (IRB) and the Irish Volunteers, along with the smaller Irish Citizen Army. The rebels seized key locations in Dublin, including the General Post Office (GPO), and declared an Irish Republic. However, the rebellion faced significant challenges due to inadequate planning, limited support, and the overwhelming military power of the British forces.

After six days of fighting, during which much of central Dublin was destroyed, the leaders of the Rising surrendered to British forces. The British response was swift and harsh; many of the rebel leaders were executed by firing squad in the weeks following the Rising, and thousands of others were arrested and imprisoned. The leaders of the Rising are commemorated as martyrs in Irish nationalist history, and the Easter Rising remains a significant event in the struggle for Irish independence.

A ceremony to mark the anniversary of the 1916 Easter Rising will take place outside the GPO, O'Connell Street, Dublin on Easter Sunday, 31 March 2024, commencing at noon." <<https://www.irishcentral.com/events/1916-easter-rising-commemorations-2024-dublin>>

REDUCTIO AD HITLERUM AS IDEA #20 ON 17 SEPTEMBER 1941: "THE ATTACK AGAINST RUSSIA—THE GERMAN SOLDIER IS THE BEST IN THE WORLD: I suppose that those of them who could see what happens in Russia have now been cured. But at the moment of our attack, we were entering upon a totally unknown world— and there were many people amongst us who might have reflected that we had, after all, a pact of friendship with the Russians! The German soldier has again proved that he is the best soldier in the world. He was that in the time of FREDERICK THE GREAT (reigned 1740-86), and he has always been that. When it's a question of holding on, that's when he reveals his full effectiveness. On every level, every man does exactly what is expected of him. After the campaign in the West, people were still saying that the soldier of to-day hadn't the endurance of the infantryman of the first World War. Here, on the Eastern front, he has proved that he has this endurance." [pages 31, 32]
