MIGHTY WANNABE (MAPLE LEAF / MILITARY MEDAL) @ 1613 HOURS ON 22 FEBRUARY 2022: "Everybody says 'Pax Americana' is [an] euphemism for 'American Imperialism'.

Like I said, Uncle Sam's classic 'Art of War' is: foment social unrest and military conflict everywhere under the sun, declare neutrality to stay out of the conflict to conserve strength, sell arms to all sides of the conflict to pour gasoline on the fire, then create false-flag incident to use as excuse to enter the conflict to win the prize."

'Everybody' said no such thing. The yanks may not be the most popular nation on earth but in the years since the US has been top dog, the world has only suffered a few proxy wars.

You really should try to learn a bit about geopolitics."

RICHARD LAWLER (THE VERGE) @ 2310 HOURS ON 22 FEBRUARY 2022: "APPLE STORE HOSTAGE SITUATION ENDS AFTER HOSTAGE ESCAPES, AND POLICE HIT THE SUSPECT WITH A CAR:

As reported by Bloomberg, a scary situation played out today at Apple's flagship Amsterdam store as a man in ***CAMOUFLAGE* *GEAR* *AND* *A* *BALACLAVA* *FIRED* *A* *GUN*** and then held someone hostage there for several hours before being apprehended. The hostage was reportedly an Apple Store customer from somewhere outside the Netherlands.

A standoff with police lasted from about 1730 HOURS (**AEST: 0330 HOURS ON 23 FEBRUARY 2022**) local time until 2245 HOURS (**AEST: 0845 HOURS ON 23 FEBRUARY 2022**), when the hostage ran out of the store, with the suspect close behind. As reported by AT5 Echt Amsterdams Nieuws and confirmed in tweets from the police, police on the scene hit the running suspect with an armored BMW X5. As the suspect lay motionless on the ground, police sent over a robot to check them for explosives, confirming none were present.

It's unclear what prompted the incident, but according to the details from the police, the suspect is a 27-year-old who sent selfies and other photos to AT5 during the incident that appeared to show him ***WEARING* *A* *BOMB* *VEST***. Amsterdam newspaper Het Parool reported many details released during a press conference afterward, as police said the hostage-taker requested water which was brought into to the store by a robot. The hostage took that opportunity to run for safety." <<https://www.theverge.com/platform/amp/2022/2/22/22946459/apple-store-netherlands-hostage-amsterdam-crypto>>

SCOUT <ME4GUNS@VERIZON.NET> @ 0120 HOURS ON 24 FEBRUARY 2022: "And you're still not answering the question."

FAECES AT POLICE IN LATEST CLASHES:**

Jacinda Ardern lashed out at demonstrators, saying: ‘No one should have to face having *HUMAN* *WASTE* thrown at them when they are just trying to keep people safe’.

Eight people involved in Monday’s (21 FEBRUARY 2022) protests were arrested for disorderly behaviour and obstruction as *HUMAN* *WASTE* was thrown over some police officers in retaliation for them placing concrete barricades on city centre streets.

“The protesters have made their point, it is time for them to leave.”

Inspired by truckers’ demonstrations in Canada, thousands of protesters have blocked streets near the parliament in the capital Wellington for two weeks with trucks, cars and motorcycles, piling pressure on the government to scrap vaccine mandates.

The demonstrations began as a stand against the vaccine mandates but have since spread to become a wider movement against Ms Ardern and her government. <<https://www.standard.co.uk/news/world/new-zealand-covid-protesters-faeces-wellington-parliament-jacinda-ardern-b983609.html>>

**EMAIL TO DUTCH CONSULATE SYDNEY @ 1002 HOURS ON 24
FEBRUARY 2022: "INTERNET CHAT ANALOGIES TO
AMSTERDAM APPLE STORE SIEGE / HOSTAGE TAKING ON 22
FEBRUARY 2022**

The question is whether the perpetrator of the AMSTERDAM APPLE
STORE SIEGE / HOSTAGE TAKING ON 22 FEBRUARY 2022, has any
online community presence and what the psychological nature of

that participation is.

Whether that online community is then involved in giving material support to adverse events by constructing a counter narrative involving participants having an anonymous IDENTITY.

NOTE: A counter narrative normally (ie. *although the converse as opposite can apply*) involves messaging that offers a positive alternative to extremist propaganda, or alternatively aims to deconstruct or delegitimise extremist narratives.

I had a situation where an USENET inconsequential dialog on 20 FEBRUARY 2022 was then reposted 2 years after it being first made with the dates changed within the original content (**as to suggest a deliberate intention**).

Which by its NOUMENON / TEMPORAL (ie. **its happening within the same day of year**) MAPPING I was able to then equate its MEMETIC (ie. *describes how an idea can propagate successfully, but doesn't necessarily imply a concept is factual*) CHARACTER to the Wellington Parliament Protests, New Zealand and the abnormal occurrence of human faeces being thrown.

The unusual situation arises where ex-military service persons from CANADA / USA in having a white supremacist disposition intentionally made inclusion of our AUS.POLITICS newsgroup to then feign discourse as then an action where specific signalling such as **"THEIR SUICIDE VEST STRAPPED TO THEIR TORSO"** did occur.

Given the abnormal basis of such an idea relative to the topic **"AUSTRALIA ACCUSES CHINA OF 'ACT OF INTIMIDATION' AFTER LASER AIMED AT AIRCRAFT"** I then constructed the accompanying NEURAL LINGUISTIC narrative (21 - 22 FEBRUARY 2022) so as to encapsulate the IDEA FORMATION for a diarised historical purpose.

In the circumstance where the AMSTERDAM APPLE STORE SIEGE / HOSTAGE TAKING scenario similarly involved ***WEARING* *A* *BOMB* *VEST*** I thought it prudent to bring it to your attention so that some consideration can be given to the question as to whether the perpetrator of the AMSTERDAM APPLE STORE SIEGE / HOSTAGE TAKING ON 22 FEBRUARY 2022, has any online

community presence.

We understand from later media reports that the offender has an irrational psychological disposition, was identified as ABDEL RAHMAN AKKAD of Syrian heritage being of 27 years and born 11 January 1995.

And given a history of messaging which frequently included content of a pornographic nature as suggestive, humiliating and insulting images. With the addition of linguistic constraints, it is therefore unlikely to have participation within our target online community.

Whilst our NOUMENON / TEMPORAL MAPPING is nuanced against a SYRIAN CULTURAL IDENTITY as textual narrative it is otherwise as we suggested that the events are NOT connected other than by their MEMETIC CHARACTER against which as IDEA FORMATION we had acted upon our intuition (ie. ***the ability to understand something instinctively, without the need for conscious reasoning***) by posting within the NL.POLITIEK newsgroup.
